One Day Workshop on “GST Ready – Enhances Quality” Challenges and Opportunities

On 24th June 2017 (Saturday)

QCFI Chennai Chapter is pioneer in organizing various quality related learning sessions, case study presentations, annual competitions and short term training programme in order to promote quality in the day to day work life.

As requested by our esteemed member organizations, it is proposed to conduct a one day workshop on “GST Ready – Enhances Quality”. This programme is a maiden programme in this area in order to inculcate the best practices of GST in organisations. This exposure will provide an all round experience of what GST ? And throw light on the Importance of GST process to be followed. Having the right GST knowledge is a key step in managing the risks and improving compliance. This will in turn help to minimise errors and penalties for filing incorrect GST returns. The majority of GST errors are often due to a lack of knowledge of the GST rules and regulations. It is imperative that the staff members responsible for the company's GST returns are to be equipped with the necessary GST knowledge. This GST workshop will provide an excellent platform to understand GST afresh and to keep abreast in all critical parameters. The workshop will provide valuable insights into various components involved in GST. Join us at our GST workshop for updates and an in-depth analysis on the practical approach on GST billing and how to better manage the issues.

Who should attend:

All process Managers, Financial controllers, Finance Managers, Purchase Managers, Accountants and Accounting staff involved in the preparation of GST returns. Staff from operations, sales, logistics and administration will also be benefited from this workshop.

QCFI, Chennai Chapter has recognized the need of this programme to be implemented on personal level. The sessions will be handled by the renowned GST Practitioners. This awareness programme will also include case study approach to guide the participants on systematic GST implementation methodology.
