INVITATION

Quality Circle Forum of India, Mysuru Chapter have pleasure in extending a warm invitation to all the Institutional Members, Individual Members & Participants to join in the **Chapter's First Convention on Quality Concepts on Sunday the 28nd May 2017**. This event will be an excellent platform for presenting the best of the work done by various quality practicing Organizations. It will be a unique opportunity for all to share their experience and learn.

We look forward to your whole hearted support and involvement to make this event successful, meaningful, and memorable.

Objective of the Convention

This will be a forum for interaction and sharing of knowledge and ideas on

- Quality Circles by QC members
- Allied concepts such as Lean Quality Circles, TPM, 5-S, Six Sigma, Kaizen, SMED, SGA, WCM, etc. by Officers, Executives and Associates, Cross Functional Teams, etc.
- To learn and understand practical aspects of Quality Concept better.
- To provide an opportunity to bring out creativity in its best form through Posters, Presentations and Visual displays.
- To provide 'Recognition' and 'Encouragement' to participants.

This Convention is to help teams for participating in the National Convention to be held at Mysuru during December 2017

Who Should Attend?

- Organizations where Quality Circle and Allied projects on Lean Quality Circles, Sigma, TPM, 5-S, Six sigma, Kaizen, SMED, SGA, WCM, etc. are being practiced.
- Organization about to launch Quality Circle and other Allied Concepts.
- Organization and Individuals participating in Quality Circle and desirous to know about other Allied Concepts
- Educational Institutions

➤ **Kaizen Display (Visual Presentation)**

- Problems solved through Kaizen concept can be displayed during the Convention. Separate hall will be dedicated. Each team consists of **THREE** members. Every team is required to present **THREE** Kaizens. Teams submitting less than **THREE** Kaizens will lose marks. When a team submits more than **THREE** Kaizens, the team should choose any **THREE** for evaluation purposes.
