## TOTAL QUALITY MANAGEMENT PRESENTATIONS

Timing 2.00 pm to 6.00 pm

### Background

Vadodara Chapter of QCFI has been organizing seminars on TQM since last 17 years. The overwhelming response of Managers & Executives of our Institutional Members has encouraged us year after year to organize this event to sustain and continuously improve their business performance through Value Addition to Human Resources. Increased Customer Satisfaction, Improving Operating Process and Procedures and Financial Outcomes.

### Objective

To listen and learn from authentic eminent industry leaders who have effectively implemented various quality concept and practices integrated with TQM philosophy.

To provide a platform to those who would like to share their success stories through case study presentations on various projects undertaken by them for solving problems and continuous improvement such as TPM, WCM, Five's, Six Sigma, Kaizen, Integrated QMS, e.g., ISO 9001, Environment, OHSAS, JIT, BPR, Quality Improvement Team ( QIT) etc.

To understand, define and implement the Quality Concepts required by Corporate to address both levels i.e. Technical Quality Concepts & Individual development Quality Concepts.

To understand typical and grey areas and new challenges faced by corporate and how to address them.

To encourage and enhance the implementation of most appropriate and suitable quality concepts effectively in line with organisation goals and strategy to achieve them by middle and senior level managers & executives.

To provide experiential exercise in effective public speaking and presentation skills & interaction with members of audience of similar profile as presenters of case study.
