## ABOUT THE CONCLAVE

Quality Circle Forum of India, Coimbatore Chapter is organizing a National Conclave on “TEXTILES - FIBRE TO FASHION”. This Conclave is first of its kind, organized by QCFI where the eminent speakers of repute from all over India are invited from the leading manufacturing & services sectors. These are the people who are the change agents in their organization and have achieved breakthrough improvements to enhance the operational business performance by adopting Best Practices.

During this Conclave the speakers will be sharing their practical experiences including the resistance / hurdles faced in their journey towards Excellence and will also dwell upon how they successfully overcame the same. This will be an unique platform to the participants to understand what needs to be done and how to go about in achieving excellence. This will also be an opportunity for networking with the decision makers from the various organizations and can share / exchange their ideas / experiences with each other for mutual benefit.

Takeaway from this Conclave will act as catalyst for the participating organizations to adopt the best suited practices to enhance their level of excellence and will be a step towards achieving the “Make in India” brand in the Global market.

This Conclave is all set to bring together august gathering of large number of professionals from different sectors. So friends, what are you waiting for? Learn the right approaches and effective know-hows from the eminent speakers of national & international repute to achieve sustainable growth. Let's join together and be the partners in this journey of excellence since we believe - “There is no limit to what we can achieve together.”

**QCFI Coimbatore Chapter and ITF, cordially INVITE YOU TO THE NATIONAL CONCLAVE.**

Welcome to the National Conclave on “TEXTILES - FIBRE TO FASHION” and be the change agent to become the part of the success story.

## CONCEPT

- To disseminate latest prevalent initiatives undertaken by various institutions.
- To dwell upon innovations developed by eminent practitioners for optimum utilization of resources to achieve Customer Delight.
- To Understand which approach / practices to be adopted & harvested for Total Employee Involvement and create happier work place.
- To sensitise business sectors for continual improvement through change management.
