

## OBJECTIVE OF CONVENTION

1. Reduce total energy consumption while maintaining a high quality of life and vivacious local economy with implementation of Quality Concepts.
2. Encourage energy efficiency in residential, commercial, industrial, public/institutional, natural resource, and transportation sectors.
3. Assure diversity in the mix of energy sources to minimize the impact of a supply restriction in any particular fuel.
4. Decrease our reliance on non-local energy sources through preservation, development and use of local renewable energy sources.
5. Make energy choices that minimize adverse impact to the environment.
6. Maximize energy competence by applying Quality tools
7. Promote a sustainable local economy and personal lifestyles that are consistent with future energy realities.
8. Assure an adequate supply of electricity and also secure distribution network to meet the region's needs.

## TARGETED PARTICIPANTS

Heads of plants, Functional heads, representatives from institutions and organization, Engineering Students, Faculties and Research Scholars

## EXPERT SPEAKERS

Experienced Faculties from prominent industries and renowned institutes like IIT's are going to addressing the Seminar.

## FEES STRUCTURE (EXCLUSIVE OF 18% G S T)

1. Industrial Delegates (Non Members) **Rs 2000/-**
2. Industrial Delegates ( Members) **Rs. 1800/-**
3. Students category **Rs.500/-**

The completely filled in registration form and DD should reach to **the secretary, QCFI Surat Sub-Chapter** on or before **05 /09 /2017**.

Course material, Refreshments and lunch during the Seminar will be provided. The registration will be confirmed through email.

### ABOUT SGPC

South Gujarat Productivity Council was launched by The Southern Gujarat Chamber of Commerce & Industry on 25th May 1992. SGPC is 49th council in India affiliated to National Productivity Council, New Delhi.

The aim and objective of the South Gujarat Productivity Council is to create quality consciousness amongst manufactures and workers by arranging seminars and workshops. The council offers consultancy services to the industry for TQM, adoption of efficient production methods and energy conservation programs.

South Gujarat Productivity Council (SGPC) is an autonomous tri-partite, non-profit organization with representation from government, employers & employees organizations on its governing body besides technical and professional experts.

### ABOUT QCFI

QCFI is recognized as the institution representing the Quality Circle Movement in India and has represented the country in several international forums. The organization has successfully implemented quality concepts under the TQM umbrella across several industry verticals. Application of these tools bring significant improvements in the work processes and productivity. QCFI is a non-profit and non-political organisation that propagates quality concepts through training and annual conventions at regional, national as well as international levels. There are 24 chapters, 3 centres and 3 sub chapters all over India engaged in such nation building activity.

**QCFI-Surat Sub-Chapter(SSC)** was set up under the umbrella of Ankleshwar Chapter in April, 2015. As on date, there are 26 Organisational members, 42 Individual life members and hundreds of associate members of this Sub-Chapter. Some of the leading organisations like; RELIANCE, KRIBHCO, ADANI Port, DONEAR, L&T and Textile Processors are the active members of our Sub-Chapter. For the last two and half years, regular Training and Development programmes are being

conducted with an objective to create awareness and spread the Quality concepts in different segments of industries and education institutions. QCFI Surat had also organised its first 'National Conclave on Safety-2016' in Convention Hall-S.G. University at Surat which received good response

### ABOUT ENERGY EXPO 2017

Energy Expo 2017 will promote exhibits and services for major National and Global players in the field of Renewable, Conventional and Non-Conventional Energy, Solution Providers in the area of Technology, Machinery & Equipment and Project Consultancy for Financing, establishing and maintaining sustainable efficient Environmental Energy Projects in Private and Public Sectors.

Energy Expo 2017 will also provide one platform for various Government Departments and other organisations to exhibit & showcase their new as well as running Projects and Schemes with benefits to Public at large.

### ABOUT ENERGY EFFICIENCY SEMINAR

Therefore, with a view to updating various stake holders of trade & industry for Climate Change awareness, and more efficient use of energy, South Gujarat Productivity Council is organizing **Energy Expo 2017** at Surat International Exhibition and convention Centre (SIECC - Sarsana), Surat from **08th to 10th September 2017**.

**QCFI-Surat Sub Chapter** has the pleasure in associating with the event by organizing a collaborative energy efficiency seminar on **Saturday, 9th September 2017**; highlighting the **"ROLE OF QUALITY CONCEPTS IN IMPROVING ENERGY EFFICIENCY."**

We thank you for your overwhelming response for our last Annual Conclave on Safety which received good response from South Gujarat. This has encouraged us to announce this Seminar on Quality Concepts in improving Energy efficiency for larger participation.
