On behalf of Adani Ports and Special Economic Zone Limited, I wish Quality Circle Forum of India all the best for the convention being schedule in September 2017 and for all the future conventions.

**Ennarasu Karunesan (CEO – Adani Ports and Special Economic Zone Limited, Mundra and Tuna)**

Considering the increasing importance of quality in terms of both product and process I am happy to note that the Vadodara chapter of QCFI is organizing its 28th Convention on Quality Concepts. In the era of consumer benevolence, quality is the most important factor of success for any business enterprise. I hope your efforts would help the organisations in the region to enhance the quality of their goods and services. I wish the Convention every success and hope that the event will contribute to enhancing awareness on quality among its members.

**Sangram R Chaudhary, Executive Director, NDDB**

For any organization to succeed Quality Management in its product or services is quintessential.

Quality concepts are critical across entire organization in today's ever challenging environment.

Quality products make an important contribution to long-term revenue and profitability for any Organization.

In the sphere of our manufacturing activities, we always should put society first for which we must adhere to all the environmental, Legal and safety Norms.

We congratulate QCFI for their efforts in propagating Quality in corporate. We wish them success in the 28th Annual Convention on Quality.

**Piush Bansal - Unit Head - Apollo Tyres Ltd. - Limda**

We, in NTPC family, work and live with quality every moment and in fact Quality is the way of life acquired by us through various qualitative initiatives. Qualitative aspects are greatly contributing in our success story recognized by Government, Society and various National & International organizations increasingly. In present power surplus scenario "It is quality rather than quantity that matters" is the buzz-theme in our minds and thus we deliver right each time and every time even when no one is watching. QCFI Vadodara deserve compliments for selecting "Quality Concepts Creating Value to the Corporate World & Society" the theme of 28th Annual Convention. Once again we convey our Best wishes and unprecedented success to the convention.

**Shri Biswarup Basu, General Manager, NTPC Ltd. - Jhanor Gandhar Gas Power Project, Jhanor**

There is no substitute for the Quality. The contribution of QCFI in promoting Quality culture has always been outstanding. The theme for the convention aims at expanding the scope of Quality to the corporate and the society. I sincerely wish QCFI event a grand success

**Raju Shah – Chairman - Harsha Engineers Ltd**

## Messages from Visionary Quality Leaders

It is my pleasure and pride to congratulate "Quality Circle Forum of India – Vadodara Chapter" for their active help and handholding in propagating quality concept among corporates and businesses. In today's competitive and uncertain world establishing the quality concept is imperative for all industries and businesses in order to excel and grow on sustainable basis. I acknowledge QCFI contribution toward this aspect is commendable and praiseworthy. As a business leader it is our endeavor to join QCFI pursuit to promote quality concept in our organization and business for better tomorrow.  
**Prem Tiwari, Jt. President & Unit Head, GRASIM INDUSTRIES LIMITED (CHEMICAL) - Vilayat**

The concept of Quality Circles is founded on the principles of Total Employee Involvement and enhances the value of every employee in the Organization. It provides an opportunity for every member of the Organisation to get beyond his normal call of work assignment and explore areas which give a more fulfilling experience out of his career. QCFI has been a strong pillar to promote this culture amongst the industries which has served to enhance the performance level of industries, provide a platform of cross learning and enable a sense of competitive improvement amongst the Indian Industries.

**Gopalakrishnan, Sathyanarayanan**  
 Plant Manager, FAG Bearings India Ltd, Maneja

In a world where Quality is being taken for granted esp for the ever expanding global e-commerce, it is essential that Quality Systems formally focus & include Innovation as an essential part of a deeper & more meaningful customer engagement. I congratulate QCFI Vadodara for their 28th Annual Convention on Quality Concepts. Their mission to enhance Quality is exemplary.

**Sunil Parekh - Chief Corporate Affairs at Advisor @ Zydus Group (Pharma Group, Healthcare, Education)**

"First of all congrats to all involved with QCFI, Vadodara Chapter for 28th Annual Convention. The quality concepts have helped in enhancing our brand reputation and will play pivotal role in increasing business. In fact, we have started introducing same at basic levels in our University also. All the best and keep it up TEAM, QCFI".
