## 5th National Conclave on '5S'

Theme : ENHANCE GLOBAL COMPETITIVENESS THROUGH 5S

### Invitation

**Importance of Workplace Management in terms of 5S initiative is becoming more significant like never before in all walks of life in India. The performance excellence with sound foundation of 5S followed by improvement initiatives best suited to the organizational culture is an accepted fact. In fact “5S” is Gateway to TQM.**

QCFI is also putting all our efforts for increasing awareness of “5S” & its implementation. 'Swachh Bharat Abhiyan' as part of 5S initiative, also has a role to play in developing India. We believe 5S is a silent informer of a company's attitude to Quality. It tells more about the company than any financial statement.

**5S cell of QCFI** - QCFI had formed an exclusive cell for propagating and promoting the implementation of 5S activities at the local level in all the regions consisting the following team members 1.Mr. B Balakrishnan, 2. Mr.K B Bharati, 3. Mr.Rituraj Mehta 4. Mr.V K B Das 5.Mr. Vijay Krishna 6. Mr.Suresh Sharma

On this background, QCFI is organizing 5th National Conclave on '5S' with the theme **“ENHANCE GLOBAL COMPETITIVENESS THROUGH 5S”**. During this conclave the eminent speakers of the practicing organizations from manufacturing & service sectors will share their experiences and expertise on 5S - A tool for enhancing the performance excellence. The practitioners of this concept will also dwell upon the challenges they faced and how successfully they overcame the same. This conclave will provide an unique platform for sharing remarkable experiences in achieving desired goals.

The conclave will be addressed by CEOs of practicing organisations on the roles and responsibilities of Top Management on 5S implementation & sustenance, success stories from various business sectors and Kaizen Competition. The speakers and the case study presenters are going to be the persons with first hand experience. We are sure, these success stories will be inspiring to the participants. Takeaway from the conclave will help the participating organizations to understand the significance of the 5S implementation and initiating this concept before it becomes too late. We are also arranging industrial visits on 10-02-18 to the nearby industries who had been certified by us.

We are very much pleased to inform that the management of M/s Bannari Amman Institute of Technology,Sathiamangalam has voluntarily offered their spacious campus to host our 5th National Conclave on 5S.

## About the Venue

Bannari Amman Institute of Technology (BIT), one of the finest institutions of technical learning in India, was started with a single objective of disseminating technical knowledge among the youth by bringing top of the line technical education that is on par with global standards to the rural community in Southern India. Nestled on the banks of The River Bhavani, Bannari Amman Institute of Technology was established in the year 1996. Set in a sprawling campus of 181 acres at Sathyamangalam, in Erode District, Tamil Nadu, the impressive buildings of the institute with a built up space of more than 30 lakh square feet stand out amidst the lush hillscape and picturesque greenery all around.

Bannari Amman Institute of Technology, an Autonomous Institution, offers 15 Undergraduate Programs (BE/B.Tech.), 14 Postgraduate Programs (ME/M.Tech.) MBA (Business Administration). BIT has 13 Research Centres to facilitate research in Engineering, Technology, Science and Management, leading to award of Ph D. It has 7000 + students on roll and 603 members of faculty across the disciplines. Institute has marched to higher levels through (i) implementation of ISO 9001 since 2001, (ii) accreditation for institute from NAAC since 2009 with A Grade, (iii) accreditation for 10 UG programs by NBA, (iv) conferment of Best Industry Linked Institute Award by CII – AICTE Survey 2011, (v) implementation of 5S system, (vi) certification by FSSAI for food safety, (vii) DSIR recognition, for Research Activities and (viii) IMC Ramakrishna Bajaj Performance Excellence Award (2015) for process approach. BIT is a two-time winner of IMC MQH Best Practices Competition (2016 & 2017) and ranked 7th by India Today Survey 2017 under Emerging Institution Category. BIT was ranked 62nd in the NIRF 2016 Survey and in the 101 – 150 rank band in 2017 Survey. The graduating students get employment through campus placement to the tune of 95%. The BIT Technology Business Incubator helps to nurture entrepreneurial zeal among the students. BIT has received grants worth Rs 10 Cr for projects related to science, engineering and technology from various agencies, during past 15 years. It offers excellent facilities for students and members of faculty to excel in their chosen areas of interest.
