ABOUT QCFI

The Quality Circle Forum of India (QCFI) is recognized as the institution representing The Quality Circle Movement in India and has represented the country in several international forums. The organization has successfully implemented Quality concepts under the TQM umbrella across several industry verticals which have experienced a phenomenal enhancement of their work processes and productivity after implementation of Quality Concept Tools. The application of these tools brings significant improvement in the work processes and productivity. QCFI is a non-profit and non-political organization that propagates quality concepts through training and annual conventions at regional, national as well as international levels. In-house Training and Orientation Programs are QCFI's main strength and it has conducted numerous such training programs effectively. These in-house programs are based on Quality Circles integrated with TQM and related concepts. QCFI has 24 Chapters, 04 sub-Chapters and 03 Centers all over India engaged in such nation building activity.

QCFI, Surat Chapter was set up initially as a Sub-Chapter under the umbrella of Ankleshwar Chapter in April, 2015. It has now become an independent Chapter from 1st April, 2018. As on date, there are 33 Organizational members, 42 Individual life members and hundreds of associate members of this Sub-Chapter. Some of the leading organizations like; L&T, RELIANCE, KRIBHCO, ADANI PORT, DONEAR and Textile Processors are the active members of our Sub-Chapter. For the last three years, regular Training and Development programs are being conducted with an objective to create awareness and spread the Quality concepts in different segments of industries and education institutions

QCFI Surat, in the past had also organized two seminars. **The safety conclave and the role of quality concepts in improving Energy efficiency** along with SGPC Surat in Energy Expo 2017 at Sarsana convention Center.

ABOUT CONVENTION

QCFI is thankful for the overwhelming response received in the last two Conventions on Safety and Energy Efficiency. This has encouraged us to announce this Convention on **Enhancing Productivity and Competitive Advantage through Employment Relation – A Paradigm Shift** on 4th August, 2018 at AURO UNIVERSITY, SURAT.

OBJECTIVES OF CONVENTION

- Understand importance of Employee Relations for achieving operational excellence.
- Sensitize participants on impact of employee relations on improving productivity and quality of products and services
- Understand how proactive Employment Relations initiatives can achieve work life enrichment and economic competitiveness
- Generate awareness about changing aspects of employee relations in the age of digitalization, technology advancement and rapid information exchange.
