6th National Conclave on '5S'

Theme: FIVE-S FOR CULTURAL TRANSFORMATION AT HOME, WORKPLACE & NEW INDIA.

About the Theme: Re discovering the cultural heritage of India, QCFI has been promoting and implementing 5S across various industries and institutions for a harmonious working, progress and growth and in turn national development. '**Swachh Bharat Abhiyan**' through 5S initiative, also has a role to play in developing India. Charity begins at home is an adage. So the practice of 5S should start from home.

Invitation

Importance of Workplace Management in terms of 5S initiative is becoming more significant like never before in all walks of life in India. The performance excellence with sound foundation of 5S followed by improvement initiatives is best suited to the organizational culture. In fact "5S" is Gateway to TQM.

5S cell of QCFI - QCFI had formed an exclusive cell for propagating and promoting the implementation of 5S activities at the local level in all the regions consisting the following team members 1. Mr. B Balakrishnan, 2. Mr. K B Bharati, 3. Mr. Rituraj Mehta 4. Mr. V K B Das 5. Mr. Vijay Krishna

On this background, QCFI is organizing 6th National Conclave on '5S' with the theme '**FIVE-S FOR CULTURAL TRANSFORMATION AT HOME, WORKPLACE & NEW INDIA**'. During this conclave the eminent speakers of the practicing organizations from manufacturing & service sectors will share their experiences and expertise on 5S - A tool for enhancing the performance excellence. The practitioners of this concept will also dwell upon the challenges they faced and how successfully they overcame the same. This conclave will provide an unique platform for sharing remarkable experiences in achieving desired goals.

Quality Circle Forum of India with host Ankleshwar Chapter supported by Surat & Vadodara Chapter has great pleasure in inviting you for the "National Conclave on 5S"

So friends, Welcome to this National Conclave on "5S" for Workplace Management

Mr. S. J. Kalokhe
President, QCFI

Mr. D.K. Srivastava
Executive Director, QCFI

Mr. Raju Modi
Director, QCFI

Mr. Vijay Asar
Chapter Chairman, QCFI

Objectives

- To understand the significance of '5S' and benefits to the organisation.
- To share success stories in implementation of '5S' in Manufacturing and Service Sectors.
- To understand the role of management in successful implementation and making it a way of life.
- To understand the relevance of '5S' in implementing other Quality Concepts under the umbrella of TQM.
- 5S will help in Swachh Bharat Movement in true sense.

The conclave will be addressed by CEOs of practicing organisations on the roles and responsibilities of Top Management on 5S implementation & sustenance, success stories from various business sectors and Kaizen Competition. The speakers and the case study presenters are going to be the persons with first hand experience. We are sure, these success stories will be inspiring to the participants. Takeaway from the conclave will help the participating organizations to understand the significance of the 5S implementation and initiating this concept before it becomes too late. We are also arranging industrial visit on 22nd May, 2019.

Who Should Attend ?

Heads of plants, Functional Heads, Representatives from Institutions and Organizations, Coordinators for different Initiatives, Housekeeping Agencies, Hospitality Industries, Educational Institutions and Consultants.

Conclave Coverage

- Address by CEOs of practising organisations on the roles and responsibilities of Top Management on 5S implementation and sustenance.
- Sharing of experience of 5S Specialists / coordinators in motivation of Employees for active and enthusiastic participation in 5S activities
- Presentation to award winning organisations and awards for those who have been 5S certified by QCFI between September 2017 and April 2019 or those who have completed surveillance Audit, subject to the participation of their representatives at the conclave.

Kaizen Competition: Presentation of innovative / creative ideas / Kaizens done by the employees of respective units in implementation of 5S. This could be done by coordinator or executives of respective unit. This will be judged by a panel and awarded accordingly. Presentation will be done by PPT showing different pictures of changes made. Time for presentation will be 10 minutes followed by question and answer for 3 minutes and 2 minutes for changeover. Presentations will be awarded in Par Excellent, Excellent and Distinguished categories.

Industrial Visit (Optional): We are organising industrial visit on 22nd May, 2019 to nearby industries practicing 5S concepts

Interested delegates may register for industrial visit in advance by paying industrial visit fees. There are limited seats to offer. Instant booking may be done subject to availability of seats.

About the Venue

AURO University, formerly AURO University of Hospitality and Management, is a private university located at Surat, Gujarat, India. It was established in 2011 through The Gujarat Private Universities (Amendment) Act, 2011.

The university was founded by H.P. Rama, a co-founder of JHM Hotels, which was a US-based hospitality company with operations in USA and India. The Auro name is also used for a hospitality business from 2017, when JHM was split between its founders (with their respective successors) into four companies: Auro Hotels, Siddhi Hotel Group, Sima Hotels, and Sarona Holdings.

Surat, the original Gateway of India, has been a host of many travelers and traders from different civilizations for centuries. Surat, the commercial capital of Gujarat, is one of the fastest growing cities in India. By 2020, it is estimated that Surat will be the largest city in Gujarat. Also, it is the textile capital of India and the diamond manufacturing capital of the world. Surat is widely regarded as one of the cleanest Metropolitan Regions in India.

Transport and Connectivity

Surat is connected to the national railway system through the Western Railways connecting it to Mumbai and beyond to the south as well as New Delhi, Ahmedabad, Vadodara and other cities to the north. Also, the city is connected to the national highway 8 through a 16 km connector highway. National Highway 8 corridor is one of the most industrially developed areas in the country and Surat. Surat is connected to Delhi, Mumbai, Hyderabad, Kolkata & Jaipur by air and to all the major cities of Gujarat.
