MAKE IN INDIA INITIATIVES THROUGH TRAINING & PRACTICE

Quality Circle Forum of India Hyderabad Chapter

Announces

One Day Workshop

on

**“Supervisory / Managerial Skills”
integrated with HR & TQM**

on 12th April 2019

at Hotel Royal Reve, Secunderabad

INTRODUCTION:

Today's Managers face an array of significant business complexities, and the future of their organization sits squarely on their shoulders. Those in senior ranks must wrestle with Quality management, Technology, Job complexity, Time horizons and Human dynamics. Therefore developing Supervisory and Managerial Competencies are of paramount importance, which would facilitate working in their respective organizations as Resource Persons.

WORKSHOP OBJECTIVE:

Enabling and equipping Supervisors/Managers with core competencies; to help create high levels of engagement and achieve Organizational Objectives and Goal.

LEARNING OUTCOMES:

Delegates will gain insights and master skills of Planning, Delegation, Execution, Performance Review and feedback skills, significantly.

This workshop would facilitate the participants (supervisors & managers) working in their respective organizations as resource person to gain enhanced efficiency and effectiveness.

TRAINING METHODOLOGY:

Powerful content and hands on simulations, Case study, Role plays, Storytelling and Gamification, participants will learn how to think and act more strategically.

TARGET AUDIENCE:

Working in Supervisory/Managerial position and responsible for People, Process, Product development & for implementation of TQM concepts integrated with Six Sigma, 5-S, Kaizen, Poka Yoke, Kanban etc.

Note:

Programme structure for above workshop will be available in the workshop kit to be distributed at registration counter Registration : 08.30AM
