*Dear Members,*

The members of the Governing Council of Quality Circle Forum of India (QCFI), Bengaluru Chapter, join me in extending a cordial invitation to its 29th Chapter Convention on Quality Concepts (CCQC 2020) being organized online.

As you all are aware, the whole world is passing through the bad effects and rapid spread of Covid-19. Quality Circle Convention's are going on for last 28 years and giving good motivation to workers. We do not want to give a break to this competition due to Corona. We request the managements to support continuity. Under the circumstances, unlike previous years, this year we are conducting the convention in digital mode without calling for hard copies of the case studies/presentations. The complete procedure right from the beginning till the result/award will be online. Only Certificates will be issued to the winning team/members from the chapter. Since the business is bad, we have reduced the convention registration fee very much. We need your support in nominating many teams.

Your co-operation & active participation is solicited.

**R. Suresh**  
Chairman

QCFI Bengaluru Chapter
