To

Sub: **CCQC - QCFI HOSUR CHAPTER 2020**

Greetings

Dear All

The Industrial activities got retarded due to COVID-19 and may take quite some time to gain normalcy. However QCFI HQ and chapters felt that CCQC activity should continue so that the momentum is maintained. So QCFI HQ and Chapters had deliberated this and finally came to consensus that Chapter convention (CCQC) and National Convention (NCQC) will take place with certain conditions.

The following guide lines are given to conduct CCQC-2020:

1. Chapters can invite participants from respective chapters only, other chapter members cannot participate. (This restriction is applicable for this year only (2020)).
2. We will have two streams **Quality Circle** and **Allied concepts**.
3. The Organisations who want to participate will register their teams indicating the stream in which they are participating on or before **15.09.2020** by paying the entry fees.
4. The entry fees for this year as follows:

A) **Quality Circle** - Rs.2000/- +GST (18%) per team. The total participants permitted is 6 - Members (1+5) - all members can be associate or combination of associates and executives

B) **Allied concepts** (Kaizen, SGA, 6 sigma, 5S, TPM, WCM, Poke yoke, Lean, VSM, JIT, Gemba, SMED, Layout and any other Allied concepts) - Rs1500/- +GST (18%) per team. Total participants permitted is 4-Members (1+3) - all members can be associates or combination of associates & executives or only executives)

**5. The evaluation for both the streams will be carried out for 100 Marks. (Evaluation criteria as per Annexure-2)**

6. The teams shall send their case studies with evidence to QCFI - Hosur chapter **on or before 15.09.2020**. Requesting teams to submit both hard copies and soft copies for evaluation.

The Hard copies to be sealed and sent to the following address:

ADDRESS :

**QCFI HOSUR CHAPTER**
