

QCFI-VADODARA CHAPTER

First Total Productive Maintenance (TPM) Convention

THEME: "A STITCH IN TIME, SAVES NINE"

Date: 23rd July 2021 (Friday)

Venue: Hotel Grand Mercure (Surya Palace), Vadodara

QCFI - Vadodara Chapter is providing a quality platform to Industries' to share and show case organizational initiatives on TPM. This will provide an opportunity to showcase TPM concept as a whole, or as an individual pillar implementation or OEE Improvement project, in Convention.

Total Productive Maintenance (TPM) is a team initiative at shop floor level focused on optimizing the effectiveness of manufacturing equipments. TPM equips employees to take care of equipments and machines effectively. **Machines do have feelings – they respond positively when you treat them with empathy.**

Our requirements for the Convention:	All participating teams will have to send a Case Study write-up in approximately 1000 words. The Last date of submission is 8th July 2021 as per format attached in Annexure – 1 . This will be evaluated by two judges as per the evaluation criteria, given in Annexure - 2 . The teams may send the presentation to us latest by 8th July 2021 . The presentation should follow the steps of the evaluation criteria indicated in Annexure – 3 .
Total number of slides & Time for the presentation:	Maximum 65 slides 20 Min (15+5) (15 Min. for Presentation & 5 Min. for Q/A)
Format of Case Study Write up, Evaluation Criteria & Evaluation Criteria for Presentation:	As per Annexure -1, 2 & 3 (It will carry 100 Marks for Case Study Write up & +100 Marks for Presentation = 200Marks)

Mr. D K Srivastava, our Executive Director QCFI HQ
will deliver keynote address on
DK's model of TPM.
