The Members of the Governing Council of Quality Circle Forum of India (QCFI) Bengaluru Chapter, join me in extending a cordial invitation to its 30<sup>th</sup> Chapter Convention on Quality Concepts (CCQC 2021) being organized online.

As you all are aware, the whole world is passing through the bad effects and rapid spread of Covid-19. The Quality Circle Convention's are going on for last 30 years and giving good motivation to workers. We do not want to give a break to this competition. We request the managements to support continuity.

Under the prevailing circumstances of COVID Pandemic, unlike previous years, this year also we are conducting the convention in digital mode without calling for hard copies of the case studies.

The complete procedure right from the beginning till the result/award will be online. The Trophy and Certificates will be issued to the winning teams & its members.

Since the business of the industries is appalling, we have reduced the convention Registration fee very much. We need your support by nominating as many teams as possible.

We extend our cordial invitation to Management, Administrators of Industries/Institutions and Quality fraternity to kindly take part and make the Convention purposeful with grand success.

Your Co-operation & active participation is solicited.

R. Suresh  
Chairman  
QCFI Bengaluru
