Visakhapatnam Chapter**

INVITATION

Dear Members,

Greetings !

Chairman and the Members of Governing Council of QCFI, Visakhapatnam Chapter have great pleasure in extending a cordial invitation and warm welcome to you all for our "22nd Chapter Convention on Quality Concepts (CCQC 2022)".

QCFI has been spearheading the education, training, propagation and help in implementation of Quality Concepts across organisations belonging to industrial, service, educational, health, rural and social sectors and playing a cardinal role in promoting Quality culture in the member organizations.

This year, the convention theme is
"INTEGRATED QUALITY CONCEPTS - THE GATEWAY TO GLOBAL LEADERSHIP"

The nature of competition and the forces of innovation shift the frontiers of science, business and technology at a rate we've never seen before. Which is why expertise is not static. To be competitive, any individual – like any company, community or country – has to adapt continuously, learning new fields and new skills...We need a workforce model that recognizes this shift. As always, the really hard part is culture and mindset.

QCFI Vizag chapter has been pioneer in the Quality movement with the active support of our member Organisations for more than two decades. Organizations carryout their businesses to fulfill the needs of the customers with their products and services to the Delight of customers. Total Quality Management (TQM) is a journey in pursuit of excellence to stay on the top of competition. TQM focuses on Total Employee Involvement (TEI) for creating quality products and services through innovative processes. Continuous improvement in manufacturing goods and services is essential to maintain competitive edge. Apart from improvements the need of the hour is to ignite the minds of employees in the organisation at all levels including the shop floor front line people to enhance their creative and logical thinking process. Integrating various Quality Improvement Concepts is the key to achieve overall organizational objectives. The convention theme is very much appropriate to the needs of world class management and global leadership.

The Chapter Convention will be followed by 36th National Convention (NCQC-2022) to be held at Aurangabad, Maharashtra in December 2022. The teams winning GOLD and SILVER awards in CCQC-2022 will be recommended by QCFI Visakhapatnam Chapter for participation at NCQC-2022. We earnestly request all the organisations to actively participate in large number and make this event 'CCQC-2022' a grand success.

Thanking you

K.K. Ghosh
Chairman

QCFI Visakhapatnam Chapter

BRIEF OUTLINE OF EVENTS
