**Dear QCFI Family
Namaskara !!!**

We all have heard the statement, CHANGE IS CONSTANT. Very true. Only changes bring improvements.

QCFI Bengaluru Chapter has always been in the forefront of looking at bringing such changes in the past. As an evidence, the year 2022 has been phenomenal, for the Bengaluru Chapter has expanded its knowledge sharing activities in special areas like Mind management, Waste resources management, Safety and Environment, to name a few with support from all related organizations.

I am very glad to mention here that many industries and institutions have entered the QCFI family, and many programs have been held to spread the essence and importance of Quality.

QCFI Bengaluru Chapter has been recognized as the MOST INNOVATIVE Chapter in the QCFI National Convention of 2022. Keeping up the spirit of QCFI connecting the various members of the industries, time has come again to celebrate Chapter Convention.

The much-awaited CCQC- 2023 is now scheduled to be held on 10th September at T. John College of Engineering, Bengaluru.

I, on behalf of the Governing Council of Bengaluru Chapter wish to invite you and your organization to be a part of this great event, and showcase your achievements and success stories to the bright and energetic participants.

Looking forward for your active participation with open arms for CCQC- 2023.

Warm Regards

B. Thej Kumar
Hon. Chairman

ABOUT THE VENUE :

T. JOHN INSTITUTE OF TECHNOLOGY,
BANNERGHATTA ROAD, BENGALURU.

It is one of the esteemed Engineering Colleges in Karnataka. TJIT was established in 2006 with the objective to develop technological minds and scientists who would involve in research, design, and development to help building nation. The college is run by T. John Group of Institutions (TJGI) which was established in 1993.

**Chairman
TJIT**

TJIT is the pioneer Institute of Engineering in the state of Karnataka duly approved by All India Council for Technical Education (AICTE), New Delhi and Recognized by the Government of Karnataka. The college is affiliated to Visvesvaraya Technological University (VTU), Belagavi and offers Bachelor of Engineering (B.E) courses in **eight** disciplines and **three** research centres.

The campus is fully facilitated with spacious, well-ventilated lecture and tutorial halls, well equipped workshop, and Hi-tech laboratories with latest equipments to provide students a practical exposure to industrial environment.

The college is situated at **Gottigere** (adjacent to NICE road), about 12kms from Bengaluru Bus Stand on **Bannerghatta National Park Highway**. The college campus is well planned and spread over 25 acres.

Courses Offered:

B.E

- Electronics and Communication Engineering
- Artificial Intelligence and Machine Learning
- Information science and Engineering
- CSE (Internet of Things {IoT}, Cyber Security including Block Chain)
- Electronics & Communication Engineering
- Civil Engineering
- MCA (Master of Computer Application)

Government Approved Research Centers

- Electronics & Communication Engineering
- Computer Science & Engineering
- Chemistry

Ph.D (Doctor of Philosophy) under VTU

- Electronics and Communication Engineering
- Computer Science and Engineering
- Mechanical Engineering

Apart from total commitment to quality and excellence in academic pursuits for the last few years, students are well groomed in Aptitude and Soft skills.

ABOUT THE CONVENTION

The Convention is aimed at providing encouragement and motivation to employees at all levels in the organization. Participation in the convention amounts to the organization becoming a partner with QCFI Bengaluru Chapter, in promoting Quality Practices and Concepts among its personnel and Supply chain. We are looking forward for a mutually enriching and beneficial association with your esteemed organization.

Last Date for submission: 25th August 2023.**

DISPLAY OF KAIZENS:

Only two members shall participate in display of **Kaizen & in case of 2 Kaizens a team shall present the same**. The main objective is to bring out the creative talent of the individuals. It can be explained in Model or in the Poster of A-3 size format given by QCFI in Form No.3. Each team shall send the copies of the 2 Kaizens in A-4 format for pre-evaluation (50marks). Kaizens displayed shall be assessed for 50 marks by **the panel of Juries visiting the spot**. Maximum time allowed for presentation / explanation is 10 minutes only. Kaizens shall be awarded as per the same criteria.

MODEL DEMONSTRATION:

Two members shall participate in a team to demonstrate the Model display and explain to the Judges during their evaluation visit. Best models will be awarded.

PRODUCT EXHIBITION:

- Convention is an opportunity for technocrats, end users, and participants, to interact and get to know the latest developments in the Manufacturing and Service sectors.
- The Exhibition covers all fields like Manufacturing, Steel, Cement, Textiles, Fertilizers, Power Engineering, Confectionery, Mechanical, Electrical, Electronics, Instrumentation, Garment industries, Food & Beverage Products, and Service sector.
- The Exhibitors are provided 3 mtrs x 3 mtrs space at the venue with a provision of display table, illumination facility, and infrastructure.
- Stall allotment shall be strictly done on first cum first basis. QCFI solicits wide response from various sectors of industry, including service sectors, to utilize the opportunity at CCQC 2023, where we expect around 2000 delegates and guests for the Convention.
- Delegates are required to drop their business cards in the drop box provided in each stall. Lucky winners from each stall shall be declared before Valedictory session.

KAIZENS and 5S CONCEPT BY HOME MAKERS

In order to encourage Kaizen / 5S practices at home, QCFI wishes to encourage / recognize home makers at CCQC 2023, who have done improvements in their homes, to exhibit through Model or Poster or PPT. PARTICIPATION IS FREE. Best teams shall be awarded. Participating teams shall have to register their names by sending a mail to QCFI on or before 15th August 2023.

RECOGNITION

Based on the evaluation by a panel of judges, the participating teams shall be awarded with certificate:

Score	Award
70% and above	GOLD
60% and above but less than 70%	SILVER
50% and above but less than 60%	BRONZE
Less than 50%	PARTICIPATION CERTIFICATE
