Dear Sir/Madam,

The chairman and the executive members of governing council of Quality Circle Forum of India (QCFI)-Tirupati chapter are happy to invite you to the 9th Annual Chapter convention on Quality concepts in the holy town Tirupati, in the state of Andhra Pradesh.

We are honoured to inform you that our Tirupati chapter has been recognized from the inception as the best in the country for having the largest membership since 2015. It has been striving to reinforce the problem solving culture in the industry to resolve many problems on safety, quality, productivity and cost. Now it is focusing on building statistical skills in students from different educational institutions in Andhra Pradesh State.

In 8th CCQC, we received an excellent response from various institutions and individuals from Andhra Pradesh and across the country. During which there were 250 Quality circle teams from more than 50+ organisations and institutions that presented their case studies at the convention.

For this year(9th CCQC), we are receiving an overwhelming response from many institutions across the country. We are very hopeful that we may have around 270-300 teams from different companies across all parts of India.

Convention Theme: “Nurture Quality for a Better Future”

Your teams participation in the convention is valuable to us and to the teams & delegates who attend. We believe that understanding various problems, their solutions & ideas will enhance the knowledge of participants. We are happy to invite QC Teams, Facilitators, Coordinators, Managers, Functional Heads & senior management to attend this two - day program and make it a grand success.
