About QCFI

Quality Circle Forum of India (QCFI) was established in the year 1982 under AP Societies Act. QCFI as on date has 35 Chapters all over India. QCFI Cbe Chapter was established in the year 2016. QCFI conducts in-house training programs hand holding till the concepts are put to use for sustenance. Every Chapter of QCFI conducts Chapter Conventions on Quality Concepts in the month of September/October every year and HO conducts the National Convention (NCQC) in December.

Coimbatore Chapter being one of the active Chapters has conducted the following events.

- Will Conduct National Conclave on 5S on 15th June 2024 in association with Sri Krishna College of Engineering and Technology, Coimbatore
- 8 Chapter Conventions on Quality Concepts (3CQC)
- 7 Quality Conclaves in association with Coimbatore Productivity Council
- 2 Textile Conclaves in 2017 and 2019 in association with Indian Textpreneurs Federation
- 1 National Conclave on 5S in 2018
- 1 Healthcare Quality Conclave in 2019 in association with KMCH, Coimbatore and Meenakshi Hospital, Tanjore
- 4 Residential Karakuri Kaizen Workshops
- 1 National Conclave (NCQC 21) in December 2021 in association with PSGITech, Neelambur, Coimbatore
- QCFI Cbe Chapter has consistently won the Best Chapter Award during all the years since inception

FMEA

The essential objective of this course is to provide delegates with the knowledge & skills in order to enable them to capture, compile, analyse & interpret the data collected through various sources and use it to prevent failures. After completion of this course, the delegates can shall utilize the knowledge gained for effective utilization of FMEA tool. This course is highly interactive, not only with reference to answering queries, but also sharing the experience gathered through rich working experience in the industry. The course includes series of lectures with individual and exercises for better learning.
