Dear QCFI Family
Namaskara !!!

I would like to extend my heartfelt thanks to all the life members and organizations for supporting our Bengaluru chapter in various activities conducted last year.

We are happy to inform you that there has been a significant increase in the number of people entering the QCFI family as life members and more so from the Academic Institutions joining QCFI, thus enhancing the knowledge resource base of the chapter.

The new team of governing council members has chalked out various programs for the year ahead comprising of workshops, conventions and training programs covering Cyber Security, TQM, Health and Happiness and many more to reach a bigger mass of people and industries with the single purpose of improving the quality of life.

This year we are back again with the most prestigious event, CCQC-2024 to be held on 1st September 2024 at T John College of Engineering. The festival of Quality shall be celebrated with your participation and support.

On this occasion, on behalf of the governing council members of our Bengaluru chapter, I extend a warm welcome to all the life-members and the organizations to come forward to join us and celebrate the mega festival of quality.

We wish to, see you all celebrating the recognition of your achievements and contributions and enjoy being amongst you to serve the Quality leaders and crusaders from various industries.

Eagerly awaiting your presence in the CCQC- 2024.

Warm Regards

B. Thej Kumar
Hon. Chairman

ABOUT THE VENUE :

T. JOHN INSTITUTE OF TECHNOLOGY,
BANNERGHATTA ROAD, BENGALURU.

One of the esteemed Engineering Colleges in Karnataka, TJIT was established in 2006 with the objective to develop technological minds and scientists who would involve in research, design, and development to help building the nation. The college is run by T. John Group of Institutions (TJGI) which was established in 1993.

**Chairman
TJIT**

TJIT is the pioneer Institute of Engineering in the state of Karnataka duly approved by All India Council for Technical Education (AICTE), New Delhi and Recognized by Government of Karnataka. The college is affiliated to Visvesvaraya Technological University (VTU), Belagavi and offers Bachelor of Engineering (B.E) courses in eight disciplines and three research centres.

The campus is fully facilitated with spacious, well-ventilated lecture and tutorial halls, well equipped workshop, and hi-tech laboratories with state of art equipments to provide students a practical exposure to industrial environment.

The college is situated in **Gottigere** (adjacent to NICE road), about 12kms from Bengaluru Bus Stand on Bannerghatta National Park Highway. The college campus is well planned and spread over 25 acres.

Courses Offered:

B.E

- Electronics and Communication Engineering
- Artificial Intelligence and Machine Learning
- Information science and Engineering
- Data Science
- CSE (Internet of Things {IoT}, Cyber Security including Block Chain)
- Electronics & Communication Engineering
- Civil Engineering
- MCA (Master of Computer Application)

Government Approved Research Centers

- Electronics & Communication Engineering
- Computer Science & Engineering
- Chemistry

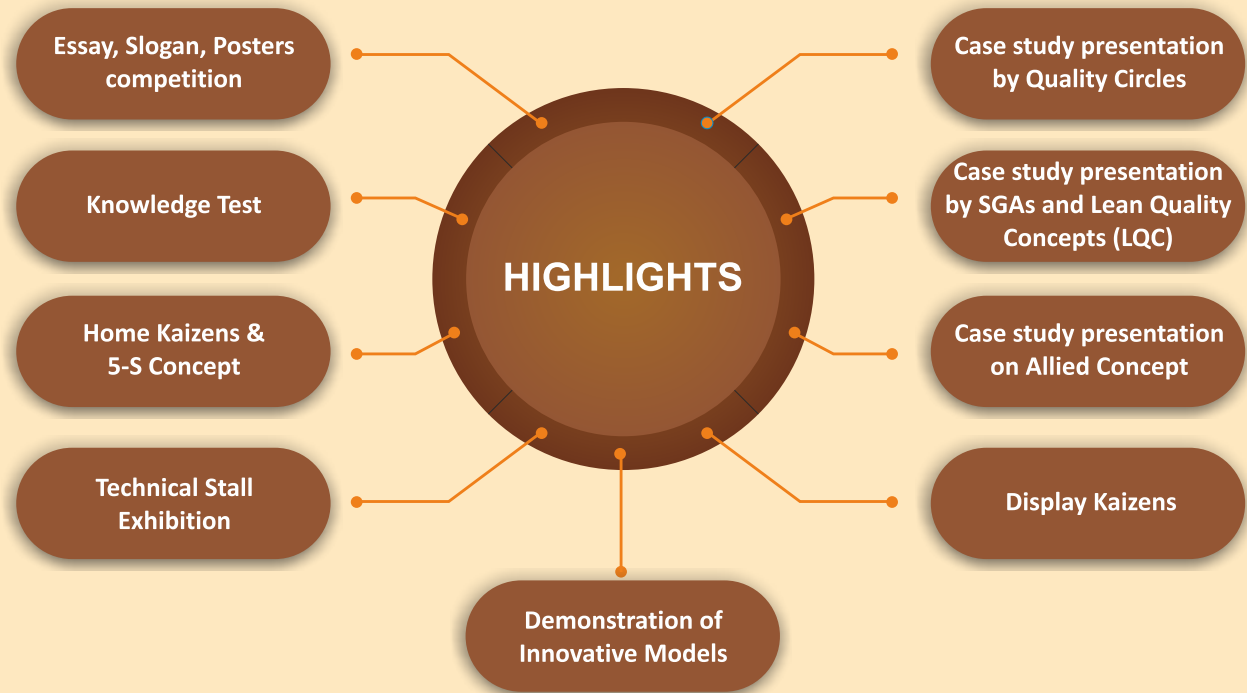

Ph.D (Doctor of Philosophy) under VTU

- Electronics and Communication Engineering
- Computer Science and Engineering
- Mechanical Engineering

Apart from total commitment to quality and excellence in academic pursuits for the last few years, students are well groomed in Aptitude and Soft skills.

ABOUT THE CONVENTION

The Convention is aimed at providing encouragement and motivation to employees at all levels in the organization. Participation in the convention amounts to the organization becoming a partner with QCFI Bengaluru Chapter, in promoting Quality Practices and Concepts among its personnel and its Supply chain. We are looking forward for a mutually enriching and beneficial association with your esteemed organization.

Last Date for submission: 20th August 2024.

DISPLAY OF KAIZENS:

Only two members shall participate in the display of **Kaizen**. In case of 2 Kaizen, a team shall present the same. The main objective is to bring out the creative talent of the individuals. It can be explained as a Model or in the Poster of A-3 size format given by QCFI in Form No.3. Each team shall send the copies of the 1 Kaizen in A-4 format for pre-evaluation (50marks). Kaizen display shall be assessed for 50 marks by the panel of Juries visiting the spot. Maximum time allowed for presentation / explanation is 10 minutes only. Kaizen shall be awarded as per the same criteria.

MODEL DEMONSTRATION/DISPLAY:

Two members shall participate in a team to demonstrate the Model display and explain to the Judges during their evaluation visit. The awards will be as per the criteria given below.

PRODUCT EXHIBITION:

- Convention is an opportunity for technocrats, end users, and participants, to interact and get to know the latest developments in the Manufacturing and Service sectors.
- The Exhibition covers all fields like Manufacturing, Steel, Cement, Textiles, Fertilizers, Power Engineering, Confectionery, Mechanical, Electrical, Electronics, Instrumentation, Garment industries, Food & Beverage Products, and Service sector.
- The Exhibitors are provided (3 m x 3 m) space at the venue with a provision of display table, illumination facility and infrastructure.
- Stall allotment shall be strictly done on first cum first basis. QCFI solicits wide response from various sectors of industry, including service sectors, to utilize the opportunity at CCQC 2024.
- Delegates are requested to drop their business cards in the drop box provided in each stall.

KAIZEN and 5S CONCEPT BY HOME MAKERS

- In order to encourage Kaizen / 5S practices at home, QCFI wishes to encourage / recognize home makers at CCQC 2024, who have done improvements in their homes, to exhibit through Model or Poster or PPT. PARTICIPATION IS FREE. Best teams shall be awarded. Participating teams shall have to register their names by sending a mail to QCFI on or before 15th August 2024.
- Only participating Organizations can send 1 Home Kaizen only.
- Only first 10 Home Kaizens shall be considered on the “First Come First Serve Basis”.

RECOGNITION

Based on the evaluation by a panel of judges, the participating teams shall be awarded with certificate:

Score	Award
70% and above	GOLD
60% and above but less than 70%	SILVER
50% and above but less than 60%	BRONZE
Less than 50%	PARTICIPATION CERTIFICATE

GOLD winning teams (in QC, LQC, & ALLIED Concepts) shall be recommended for participation in the NCQC 2024.

- **PRODUCT EXHIBITION WILL BE OF GREAT INFORMATION ATTRACTION TO ALL. HENCE, REQUEST ALL ORGANIZATIONS TO GIVE SPECIAL EMPHASIS TO VISIT TECHNICAL STALLS BY THEIR RESPECTIVE COORDINATORS/FACILITATORS/LEADERS.**
- **Advertisement Banner Display:** Organizations are requested to advertise through banners, to be displayed at the Convention Hall as per the Sponsorship Form.
