

# A Workshop on Business @Turbo Roadmap with 10 Quality Commandments

Date : 8<sup>th</sup> November, 2024

Time : 10 AM to 5.30 PM

By Center of Excellence, QCFI at QCFI HQ, Secunderabad

Options: Physical / Online

## About the Program

The program will enable participants to practice a simple and highly effective project roadmap which will accelerate the operations/Production excellence, business growth and cost-savings/ profits. This roadmap implements all Deming TQM principles and ensures a robust Indianized TQM system at lowest investment. This improvised Lean-Six-Sigma Roadmap is a result of churning the best global TQM practices from direct Hands-on exposure of the last 40 Years from over 2000 projects. It provides a simple/zero-cost/time-effective method to unleash the spirited-involvement and creativity of the entire work-force enhancing the annual nos. of kaizens and innovations multiple times on a sustained basis.

The program provides cutting-edge ideas thought-process to the participants through comprehensive 10 quality commandments covering State-of-Art Corporate Strategies, which are derived from the rich 36 yrs of Industrial experience by Shri Mr KK Agarwal, Corp. Quality Head, Bharat Electronics Ltd, Blr.

### Faculty 1: Mr Sunil Shrivastava, Head - Centre of Excellence

Mr Sunil Shrivastava, Head - Centre of Excellence, QCFI is a practitioner of innovative business excellence initiatives for over 40 years in over 25 sectors in small, medium & large organizations.
