# SAMPOORN (The Whole)

## A Comprehensive Business Growth Framework

### Through workshop on “Business @ Turbo Roadmap” with “10 Quality Commandments”

**Organizations need Quantum value additions faster, better and cheaper.  
They need robust processes, systems and culture through Total Quality People.  
We offer you exactly these solutions from our AGILE Business Excellence Programs**

#### About the Program

The program will enable participants to practice a simple and highly effective project roadmap which will accelerate the operations/Production excellence, business growth and cost-savings/ profits. This roadmap implements all Deming TQM principles and ensures a robust Indianized TQM system at lowest investment. This improvised Lean-Six-Sigma Roadmap is a result of churning the best global TQM practices from direct Hands-on exposure of the last 40 Years from over 2000 projects. It provides a simple/zero-cost/time-effective method to unleash the spirited- involvement and creativity of the entire work-force enhancing the annual nos. of kaizens and innovations multiple times on a sustained basis.
