

Supplementary Convention 20-24 January 2025

The National Convention on

Quality Concepts (NCQC) has evolved significantly from its modest beginnings. With ongoing continuous improvements & enhancements to its convention structure, it now stands as the largest Quality Concepts Convention globally. In a groundbreaking move, starting this year, QCFI aims to establish a special platform to organize Supplementary Case study presentations.

Eligibility Criteria :

A Supplementary Convention-2024 will be organised for the selected teams as per the criteria given below:

1. Top 5% of the total teams in CCQC-2024 and from other conventions viz HR, Conclaves, Kaizen Competitions etc. organised by any chapters. Minimum number of team members per group should be three per team.
2. One best team of your Unit/Organization based on CCQC-2024 performance.
- 3 In case of Individual Kaizen, each individual will be allotted 5 minutes for presentation and separate award will be given to each individual Kaizen presenter.
- 4 Those teams who are selected by the Chapter for NCQC-2023 but could not attend due to work exigencies may also attend, if recommended by the respective chapter.
- 5 Following teams can register directly with QCFI HQ
 - Best zone from the 5-S Certified units
 - Best Pillar from the WCM certified unit
 - Best Safety Circles/ Safety initiative taken / Implemented Integrated Safety Circle (Consist of safety circle at all levels viz. first line employees and contractor workers, LSC for Senior and middle management level)

Note: All such teams will be allowed based on the recommendation of the respective Chapter.

**Registration for
100 teams only
on first come
first serve basis**

Supplementary Convention 20-24 January 2025

Note:

All such teams will present their Case study in supplementary NCQC 2024 from 20-24 January 2025 in place of NCQC 24 at IIITM, Gwalior to be held from 27-30th Dec' 2024

-All the rules pertaining to the criteria of NCQC-2024 will be applicable in this convention. They have to attend the Quiz, Knowledge Test, Pre-evaluation and presentation. Criteria will remain same as NCQC-2024 Gwalior and award will be given accordingly.

B- Supplementary International Convention of QCFI-2024

- Those teams, who were eligible for ICQCC-2023, but could not attend due to work exigencies may also present their case study in this convention.
- Those teams who are eligible for the ICQCC-2024 but will not be attending due to work exigencies can also present their case study in ICCQCFI-2024.

Note:

- Minimum number of members in a team should be 3.
- In this, International criteria for evaluation will be applied and certificate will be given accordingly by QCFI for International Convention of QCFI (ICQCFI-2024).
- All such teams to be recommended by the respective Chapter.
