

International Conclave on Cement Industry (ICCI 2025)

Theme: Innovating Cement - Sustainable Raw Materials, Cutting- Edge Technologies and Efficient Supply Chain

Organized Jointly By

Quality Circle Forum of India

Ahmedabad Chapter & Madurai Chapter

Hosted by

SAL Education Campus, Ahmedabad

24 -26 APRIL 2025

+91 97255 58778

iccia2025@gmail.com

gcfahmedabadchapter@gmail.com

ADVISORY BOARD

Mr. Sukuru Ramarao
COO Adani Cements

Mr. Rupesh Vasani
Director SAL Education
Campus-Ahmedabad

Mr. Jayadeb Nanda
Chairman - QCFI Ahmedabad Chapter

Mr. D K Srivastava
Executive Director-QCFI

Mr. Avinash Mishra
President -QCFI

Mr. S J Kalokhe
President -QCFI

Dr. Ashok Mittal
Advisor -QCFI

+91 97255 58778

iccia2025@gmail.com

ORGANIZING TEAM

Mr. M Sankarasubramanian
Chairman –QCFI Madurai Chapter

Mr. Rajesh Kumar Jain
Vice Chairman-QCFI Ahmedabad Chapter

Mr. Anil Datar
Vice Chairman-QCFI Ahmedabad

Mr. Kaushik Purohit
Council Member QCFI Ahmedabad Chapter

Mr. Sanjiv Kaushesh
Vice Chairman-QCFI Ahmedabad Chapter

Mr. P Sugumaran
Secretary- QCFI Madurai Chapter

Mr. Thevaraajhah
Joint Secretary- QCFI Madurai Chapter

Mr. Yogesh Patel
Head Operations - QCFI Ahmedabad Chapter

Mr. Tushar Shah
Treasurer - QCFI Ahmedabad Chapter

Mr. Sharad Gupta
Council Member QCFI Ahmedabad Chapter

Mr. Nirav Thacker
Council Member QCFI Ahmedabad Chapter

Mr. Sagar Rana
Council Member QCFI Ahmedabad Chapter

Mr. Tajvirsinh Jadeja
Council Member QCFI Ahmedabad Chapter

Mr. Gajendra Arya
Lead PMO Adani Cements

Mr. Rituraj Mehta
Secretary QCFI Ahmedabad Chapter

ABOUT QCFI

QCFI is recognized as the institution representing The Quality Circle Movement In India and has represented the country in several international forums. The organization has successfully implemented Quality concepts under the TQM umbrella across several industry vertical who have experienced a phenomenal enhancement of their work processes and productivity after implementation of Quality Concept Tools.

QCFI is today ONE STOP SOLUTION for all Business Excellence initiatives. QCFI has been spear-heading in propagation, training and implementation of Quality Concepts for the last 4 decades. We are happy to state that many industries both from Public and Private Sectors have been practicing these concepts in their work system. In the last 4-5 year, 5S concepts have been sought by many industries for implementation. QCFI wishes to give a thrust and initiate actions and implementation in emerging industries, who have not come across our forum. We have already launched a programme on 5S implementation and Certification (Workplace Management) with JUSE (Japanese Union of Scientists and Engineers), JAPAN. We also train on QC, LQC, Kaizen, Six Sigma Projects and problem-solving Techniques. QCFI has a distinctive approach in traditional Business Excellence with hand holding & guidance for practical application. The uniqueness provides an edge over other consulting organizations. QCFI also is highly cost effective as it is "National Body and Non-Profit Organization".

QCFI represents India in the 14 nation International Committee that has been set up for organizing International conventions on Quality Concept Circle, annually. To date, QCFI has organized three International convention in India. In addition, chapter convention and National convention are held every year where members present case studies and technical papers are discussed by leading Quality Concept Practitioners

ABOUT QCFI AHMEDABAD CHAPTER

QCFI Ahmedabad Chapter is one of the fastest growing chapters of 'Quality Circle Forum of India (QCFI), headquarters at Secunderabad. QCFI Ahmedabad Chapter governing council consists of elite members from variety of industrial fields, sums up rich expertise for sustainable growth. Chapter is well positioned around large, medium and small-scale industrial corridors which supports our QC movement. At present it stands out with over 600+ members and 20+ subject matter experts.

ABOUT QCFI MADURAI CHAPTER

Madurai Chapter, one of the very active chapters of this forum was started in 1990, with Madura Coats Limited and Madras Cements Limited as the founder members. Founder Member of the Chapter Mr. M Sankarasubramanian is currently the Chairman. Madurai Chapter is very active by not only conducting in-house training programs, but also supporting the organizations by conducting regular refresher and reviews programs in Quality Circles, Five 'S', Kaizen, TQM and Quality Improvement Team. They have hosted 35 Chapter Conventions at various places in South Tamil Nadu and one National Convention at Madurai. Hosted one 5 'S' conclave and 10 Kaizen Melas.

ABOUT THE CONCLAVE

The International Cement Conclave is dedicated to exploring the latest advancements and innovations in cement production and use. This year's theme focuses on three critical areas:

- **Sustainable Raw Materials:** Discover new materials and methods that reduce environmental impact and enhance sustainability.
- **Cutting-Edge Technologies:** Learn about the latest technological innovations that are revolutionizing cement production.
- **Efficient Supply Chains:** Explore strategies to optimize supply chains, reduce costs, and increase efficiency.

KEYNOTE SPEAKERS

We are honored to host several distinguished speakers who will share their expertise and vision for the future of the cement industry. Stay tuned for announcements about our keynote lineup.

WORKSHOPS AND SESSIONS

Engage in a variety of workshops and sessions designed to provide hands-on experience and in-depth knowledge on the topics of sustainability, technology, and supply chain management.

+91 97255 58778

iccia2025@gmail.com

gcfahmedabadchapter@gmail.com

PAPER PRESENTATIONS INVITED ON

1. Sustainable Alternatives to Traditional Cement Raw Materials:

Exploring the use of industrial by-products and waste materials in cement production.

Innovations in bio-based materials for cement manufacturing.

2. Advancements in Cement Production Technologies:

The role of AI and machine learning in optimizing cement production processes.

3D printing with cement: Current capabilities and prospects.

3. Carbon Capture and Utilization in Cement Manufacturing

Techniques for reducing carbon emissions in cement production

Case studies of successful carbon capture and utilization projects in the cement industry.

4. Enhancing Supply Chain Efficiency in the Cement Industry

Leveraging blockchain technology for transparent and efficient cement supply chains..

Strategies for reducing logistics costs & improving delivery times in cement distribution.

5. Innovative Cement Composites for Sustainable Construction:

Development and application of high-performance cement composites.

The impact of nanotechnology on the properties and performance of cement-based materials..

6. Lifecycle Assessment and Environmental Impact of Cement:

Comprehensive lifecycle assessment of cement production and its environmental implications.

Strategies for minimizing the ecological footprint of cement manufacturing.

7. Smart Manufacturing and Industry 4.0 in Cement Production:

Integration of IoT and smart sensors in cement plants for real-time monitoring and control.

The impact of Industry 4.0 technologies on productivity and sustainability in cement manufacturing

8. Circular Economy Approaches in the Cement Industry:

Implementing circular economy principles in cement production and waste management.

Case studies of successful circular economy initiatives in the cement sector.

These topics should provide a comprehensive overview of the latest innovations and challenges in the cement industry, making for an engaging and informative convention.

HIGHLIGHTS OF THE CONCLAVE

Keynote Sessions

- Hear from industry leaders about the future of cement and the role of innovation in driving sustainability.

Case Study Presentations

- Learn from industry best practices and interact with industry experts

Panel Discussions

- Engage with experts on topics such as sustainable raw materials, advanced manufacturing technologies, and supply chain optimization.

Workshops

- Participate in hands-on workshops to learn about the latest tools and techniques in cement production and management.

Networking Opportunities

- Connect with peers, industry professionals, and potential partners to expand your network and explore new business opportunities.

WHY ATTEND?

Stay Informed

- Gain insights into the latest trends and developments in the cement industry.

Learn from Experts

- Benefit from the knowledge and experience of industry leaders and innovators.

Enhance Your Skills

- Participate in workshops and sessions designed to enhance your professional skills and knowledge.

Expand Your Network

- Meet and connect with industry professionals, potential partners, and peers..

SPONSORSHIP & EXHIBITION PERKS

- Brand promotion through event marketing (print, digital, on-site).
- Dedicated B2B meetings with targeted industry stakeholders.
- Gain exposure via on-stage recognition and prominent exhibit placement.

iccia2025@gmail.com

gcfahmedabadchapter@gmail.com

STAKEHOLDER AND EXHIBITOR STALLS

Explore our wide range of stalls to exhibit latest products, services, and innovations in the cement industry. This is a unique opportunity to interact with key players and discover new markets that can enhance your business operations.

EXHIBITION PERKS

- Brand promotion through event marketing (print, digital, on-site).
- Dedicated B2B meetings with targeted industry stakeholders.
- Gain exposure via on-stage recognition and prominent exhibit placement.

Key Benefits for You:

- **Delegates:** Access expert-led panels, new technologies, and strategic discussions focused on operational efficiency, digitalization, and sustainable construction.
- **Sponsors & Exhibitors:** Showcase your solutions to industry leaders, contractors, suppliers, and government officials. Cement Expo 2025 offers unmatched visibility and direct networking opportunities.
- **Market Visibility:** Tap into an event attracting **big players including industry giants and policy influencers.**

Stall Fees

Category	Stall Amount (Rs.)	Approx. Size (Meters)	Offering from QCFI
Large	50000	4 x 3	Large Stall at prominent location with dedicated facilitator and B2B sessions. Exposure to industry professionals and prospective engineering students
Medium	35000	3 x 3	
Small	25000	2 x 3	

**GST 18% extra applicable on above fees

** Exhibitors would be allowed to demonstrate their products/equipment at the venue

SPONSORSHIP OPPORTUNITY

Offering sponsorship to ICCI can be a strategic move for businesses looking to enhance their brand visibility and establish strong industry connections. It allows companies to showcase their products and services to a targeted audience of industry professionals and potential partners by gaining exposure through event marketing, dedicated B2B meetings, and on-stage recognition.

Categories of Sponsorship

Category	Amount (iNR.)	Delegate Participation (Nos.)	Branding Opportunities	Complimentary Stall
Diamond	1000000	10	Branding on all materials and visuals	1
Gold	500000	5	Branding on all materials and visuals	1
Silver	300000	3	Branding on Main Stage & external banners	NA
Bronze	100000	1	Branding on kit bags	NA

**GST 18% extra applicable on above fees

** Sponsoring companies/participants would be allowed to demonstrate their products/equipment at the venue

EVENT SCHEDULE

Day 1: Industry Professionals

09:00AM -10:00AM: Registration and Welcome Breakfast

10:00AM-11:00AM: Keynote: Innovations in Cement Production/ The Future of Cement

11:00AM-11:30PM: Panel Discussion: Cutting-Edge Technologies/ Sustainable Raw Materials

11:30AM - 12:30PM: Case Study Presentations

12:30PM - 01:30PM: Networking Lunch

01:30PM - 03:00PM: Workshop: Efficient Supply Chains & Advanced Manufacturing Technologies

03:00PM - 03:30PM: Coffee Break

03:30PM-04:30PM: Closing Session: The Path Forward/Supply Chain Optimization

04:30PM - 05:30PM: Valedictory Session

Day 2: Student Conclave

09:00AM-10:00AM: Registration and Welcome Breakfast

10:00AM - 11:00AM: Opening Keynote

11:00AM - 12:30PM: Case Study Presentations in Parallel Halls

12:30PM - 01:30PM: Networking Lunch

01:30PM-03:00PM: Case Study Presentations in Parallel Halls

03:00PM - 03:30PM: Coffee Break

03:30PM - 05:00PM: Valedictory Session

Day-3 Industrial Visit (Optional)
