3rd MINI CONVENTION ON QUALITY CONCEPTS RAINBOW 2025

Theme: *“Practicing QC and Allied Concepts is a Gateway
for Manufacturing Excellence”*

1. Introduction

“There will be no progress if you keep on doing things the same way all the time. Only continuous improvement involving everyone from manager to grass root level employees will lead to organizational growth.”

Prof. Masaaki Imai

The father of Kaizen movement in Japan

Quality Concepts Circle activities refer to various improvements in the work place with respect to Productivity, Quality, Cost, Delivery, Safety, Environment, etc. It involves operational improvements made by people in the work place using their ingenuity and disciplined problem solving process.

We at Quality Circle Forum of India, Chennai Chapter strongly believe that total participation, interaction and involvement of all the employees for achievement of organizational goals at all levels is a must for the organization to be Globally Competitive in the market in the present scenario and to maintain sustainability.

Towards this aim, QCFI Chennai Chapter has started organizing a Mini Convention of important Quality Concepts from the year 2022 onwards. It aims to enable the organizational members to refresh themselves to practice and implement the same in their organizations. This Mini Convention is organised on the following 7 QC concepts, (Rainbow) on 5th April 2025.

1	QC Case Study Presentation
2	Kaizen
3	Poka Yoke
4	SIT
5	Six Sigma
6	5S Experience sharing and
7	SMED/any other specific topics on QC concepts

2. Objective of the Competition

To bring Organizational Development through Total Employee Involvement.

To encourage Team Building and accelerate winning spirit.

To promote Continuous Improvement culture in the Organization.

To improve Communication Skill and Develop Leadership

3. Event Schedule
