This award recognizes organizations that demonstrate outstanding performance in Environmental, Social, and Governance (ESG) initiatives. By participating, companies not only showcase their dedication to sustainability but also inspire others to adopt responsible and impactful practices. We encourage all eligible organizations to take part and lead the way toward a greener, safer, and more ethical future.
- * **Integrated Safety Circles** - The Quality Circle Forum of India, Nagpur Chapter, is pleased to introduce the **Integrated Safety Circle (ISC) Concept** as a new theme for case study presentations at the 36th Chapter Convention on Quality Concepts (CCQC-2025). This innovative approach blends experiential learning, behavioural safety, and collaborative risk analysis to build a strong safety culture at the grassroots level. Teams are encouraged to showcase how ISC practices—such as hazard identification, root cause analysis, and peer-led interventions—have led to measurable improvements in workplace safety. We invite participating circles to explore this concept and present impactful safety initiatives that can inspire others across industries.
