## INVITATION FOR CCQC 2025

Dear Members,

**Greetings !**

Chairman and the Members of Governing Council of QCFI, Visakhapatnam Chapter have great pleasure in extending a cordial invitation to you for our **"25<sup>th</sup> Chapter Convention on Quality Concepts (CCQC 2025)"**. It is also a landmark **Silver Jubilee Convention of Visakhapatnam Chapter** thus celebrating our 25 years of QC Journey.

QCFI has been spearheading the education, training, propagation and helping in implementation of Quality Concepts across organisations belonging to industrial, service, educational, health, rural and social sectors and playing a cardinal role in promoting Quality culture in the member organizations.

**This year, the convention theme is**  
**"Quality Concepts for Atma Nirbhar Viksit Bharat"**

The theme, "Quality Concepts for Atma Nirbhar Viksit Bharat," encapsulates a powerful vision for India's future. It intertwines the principles of quality management with the national aspirations of self-reliance and developed nation status.

**Atma Nirbhar Bharat**, meaning "Self-Reliant India," is a call to action for indigenous growth and reduced dependence on external sources across all sectors – from manufacturing and technology to agriculture and defence. It emphasizes fostering domestic capabilities, promoting local industries, and encouraging innovation to build a robust and resilient economy.

**Quality concepts**, such as Total Quality Management (TQM), Quality Circles, Lean, Six Sigma, and 5S, are instrumental in achieving this self-reliance. By embedding these concepts, organizations can enhance efficiency, reduce waste, improve product and service reliability, and boost competitiveness, thereby strengthening India's domestic production and its position in global supply chains.

**Viksit Bharat**, or "Developed India" by 2047 (the 100<sup>th</sup> year of independence), envisions a nation characterized by comprehensive development across economic, social, environmental, and governance domains. This includes unprecedented economic growth, world-class infrastructure, high standards of living, social progress, and effective governance. Achieving this requires a relentless pursuit of excellence in every sphere.

Quality concepts provide the framework for continuous improvement, innovation, and sustainable development. They empower individuals and organizations to identify and solve problems, optimize processes, and deliver superior value.

Therefore, the CCQC 2025 theme highlights that quality is not merely a technical aspect but a fundamental driver of national progress. It underscores the belief that by deeply integrating quality thinking and practices into every facet of society – from factories and businesses to educational institutions and public services – India can build the foundation for a truly self-reliant and developed nation. It is about fostering a culture where excellence is a habit, innovation is continuous, and every individual contributes to building a stronger, more prosperous India.

Our Quality Circle convention gives an opportunity to the employees to show case their achievements by adopting continuous quality improvement concepts in their respective organizations. We request all our individual and institutional members to actively participate in the 25<sup>th</sup> CCQC of Visakhapatnam Chapter; the landmark Silver Jubilee QC Convention of Visakhapatnam Chapter, be benefitted by mutual learning for better future and make this mega annual event a grand success.

The Chapter Convention will be followed by National Convention 2025 (NCQC 2025) to be held at GL Bajaj Institute of Technology and Management, Greater Noida in December 2025. The teams winning GOLD and SILVER awards in CCQC-2025 will be recommended for participation at NCQC-2025. We earnestly request all the organisations to actively participate in large number and make our Silver Jubilee event of Visakhapatnam Chapter 'CCQC-2025' a grand success.

Thanking you,

**G. Gandhi**

**Chairman**

QCFI Visakhapatnam Chapter
