INDUX5.0 HACKATHON

“INNOVATE FOR INDUSTRY, 2025
BUILD FOR BHARAT”

About the Hackathon

InduX5.0 is India's first National-level Hackathon dedicated to Industry 5.0 and Smart Manufacturing, spearheaded by Vikrant University, Quality Circle Forum of India (QCFI) and SenseLive Technologies.

This unique initiative brings together industry leaders, academia, and young innovators on one platform to tackle real-world industrial challenges through innovation, technology, and collaboration.

Three-Stage Selection Process

Stage 1 – Abstract, PPT & Video Submission.

Stage 2 – Online Interview & Team Screening.

Stage 3 – Onsite 36-Hour Hackathon & Prototype Demo

Venue:
Vikrant University,
Gwalior (M.P.)

Rewards & Recognition

First Prize: ₹1,00,000

Second Prize: ₹75,000

Third Prize: ₹50,000
