Quality Circle Forum of India, Madurai Chapter

Madurai Chapter, one of the very active chapters of this forum was started in 1990, with Madura Coats Limited and Madras Cements Limited as the founder members.

Madurai Chapter is very active by not only conducting in-house training programs, but also supporting the organizations by conducting regular refresher and reviews programs in Quality Circles, Five 'S', Kaizen, TQM and Quality Improvement Team.

We have hosted 34 Chapter Conventions at various places in South Tamil Nadu, Kerala and one National Convention at Madurai. We have hosted two 5 'S' conclaves and 11 Kaizen Melas.

About Theme : " Quality Concepts for ATMANIRBHAR VIKSIT BHARAT "

The Convention Theme is Quality Concepts for ATMANIRBHAR VIKSIT BHARAT. This is indeed an appropriate theme, which QCFI is pursuing since its inception. QCFI plays a vital role in developing human resources across industries and public services through its "People Building Philosophy." By training frontline and mid-level employees in quality concepts like 5S, Kaizen, QC, LQC, LSC, QIT, TPM & WCM it fosters self-growth, collaboration, problem-solving, and a culture of sharing knowledge—empowering individuals to become valuable contributors and knowledge leaders. Recognized as a premier institution in Quality Training and Human Resource Development, QCFI continues to play a transformative role in shaping a workforce aligned with the ideals of self-reliance, quality, productivity, and cost effectiveness. This year's theme also aligns with the broader national goal of making India's industrial sector among the best in the world in Quality and Productivity- a true reflection of Atmanirbhar and Viksit Bharat.

About the Venue

J.J. College of Engineering and Technology (JJCET) was established in the academic year 1994-95. Now, JJCET has been administered by Sowdambikaa Group of Institutions from the academic year 2019 – 2020. The college is situated in Ammapettai village, 18 km from Tiruchirappalli abutting the National Highway (NH45) leading to Dindigul, in a sprawling area of more than 100 acres, approved by the All-India Council for Technical Education (AICTE) and affiliated to Anna University, Chennai. JJCET has become one of the pioneering technical institutions in this part of the country in a very short span.

JJCET offers nine Undergraduate programs in the disciplines of Artificial Intelligence and Data Science, Computer Science and Engineering (Cyber Security), Computer Science and Engineering, Information Technology, Electronics and Communication Engineering, Electrical and Electronics Engineering, Aeronautical Engineering, Civil Engineering, and Mechanical Engineering.

The institution also offers three Postgraduate programs in Engineering and Technology with specializations in Computer Science and Engineering, Power Systems Engineering, and Thermal Engineering in addition to Master of Business Administration (MBA). J.J. College of Engineering and Technology (JJCET), Tiruchirappalli, has established a vibrant ecosystem of Centre of Excellence aimed at fostering innovation, hands-on learning, and industry-oriented skill development. These centres include the CDAC-JJ IoT Lab, which offers real-time training in embedded systems and sensor networks; the Design-to-Product Centre, enabling students to transform ideas into market-ready prototypes using CAD/CAM and 3D printing; and the KUKA-JJ Industrial Robotics Centre, which provides practical exposure to automation and robotics in collaboration with KUKA Robotics.

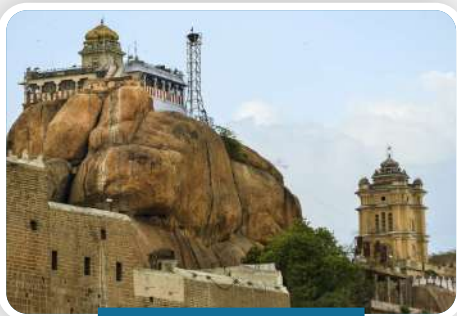

The AI-Drone Research Centre empowers students to design and operate AI-powered drones for applications like surveillance and agriculture, while the Intel AI Skill Centre, established under the Intel Unnati program, equips learners with cutting-edge knowledge in machine learning and deep learning through certified Intel courses. Collectively, these centres bridge the gap between academia and industry, preparing students to be future-ready professionals capable of innovation, research, and entrepreneurship.

About the Chairman

PMJF Lion Dr. S. Ramamoorthiy, the Chairman of Sowdambikaa Group of Institutions, is a visionary leader, philanthropist, and educational reformer who hails from an agricultural background. With a deep-rooted belief that education is the key to social transformation, he has dedicated over two decades to expanding access to quality, modern education, especially for the underserved. Under his dynamic leadership, the Sowdambikaa Group now

encompasses several schools and colleges, educating over 35,000 students with the support of more than 3,500 committed teachers. His guidance has led to the growth of J.J. College of Engineering and Technology, Tiruchirappalli, as part of the group, fostering academic excellence and holistic development. Admired for his humility, compassion, and commitment, Dr. Ramamoorthiy continues to inspire educators, students, and parents alike, with a strong emphasis on education values, infrastructure, and innovation-making Sowdambikaa synonymous with “Quality Education” in Tamil Nadu.
