Dear Quality Fraternity,

It is with great pleasure to announce that our **2nd Premium NCQC (Offshore Convention)** to be held at Dubai from 19th to 23rd Nov 2025.

The Offshore Convention is a part of NCQC'25. This premier National Convention dedicated to fostering excellence among our most deserving teams. It's designed as a unique platform to ignite competition, cultivate a rich learning environment, facilitate invaluable experience sharing, and immerse participants in an international atmosphere. Our aim is to prepare and empower eligible teams to thrive on a global scale.

Eligibility Criteria:

- Organizations can nominate the top 10% of total CCQC case studies presented and recommended by their respective chapters for participation in offshore convention (Premium NCQC 25).
- Chapter who has organised Conclaves/Seminar/Conventions are requested to recommended 10% of total teams participated
- 5S and WCM certified units can nominate a maximum two teams per unit
- The Teams implementing Integrated Safety Circles or Lean Safety Circles are allowed to participate @ 2 teams per unit
- If an organization is performing well but does not have a team selected under the above criteria, the chapter may nominate one best team per unit for participation.
- Teams eligible for ICQCC 2025 but unable to attend due to work exigencies may still participate in the offshore convention. Evaluation criteria of ICQCC 25 will be followed for such teams and award will be given accordingly by QCFL.
