# INTERNATIONAL AUTOMOTIVE CONCLAVE

Theme

Driving Tomorrow : Innovation, Sustainability,  
& Global Mobility

 Saturday 18<sup>th</sup> April 2026

PLACE : @ SITA HALL,  
HOTEL RAMA INTERNATIONAL,  
CHHATRAPATI SAMBHAJI NAGAR  
(AURANGABAD), MAHARASHTRA.  
COUNTRY : INDIA

SCAN FOR  
REGISTRATION

## Highlights

### Expert Lectures

Learn from industry pioneers

### Live Demonstrations

Next-gen innovations on display

### Karakuri Exhibition

Lean manufacturing insights

### Industry Trends

Future of mobility showcased

## What to Expect

**Hydrogen Power Technology** - Next-gen fuel solutions

**Electric Vehicles** - Future of sustainable mobility

**Carbon Emissions** - Environmental impact strategies

**SBTi Initiatives** - Science-based targets for industry

**Eminent Speakers** - Global automotive experts

**New Innovations** - Cutting-edge technologies

## Participating Automotive Leaders

- Toyota
- Hyundai
- Maruti Suzuki
- Mahindra & Mahindra
- Toyoda Gosei
- JSW Motors
- Hero MotoCorp
- Ashok Leyland
- Bajaj
- FIAT
- Honda
- TVS
- Ather
- Skoda-VW
- TATA
- & more...

Organized By **QUALITY CIRCLE FORUM OF INDIA**  
Chhatrapati Sambhaji Nagar (Aurangabad) Chapter

In Association With **QUALITY CIRCLE FORUM OF INDIA**  
Bengaluru Chapter

## Don't Miss Out!

Save your dates • Network with industry leaders

Experience the future of automobile technology

## **About QCFI**

QUALITY CIRCLE FORUM OF INDIA has been playing a significant role in Skill Development of people through education, training, propagation, demonstration and assistance for implementation of Quality Concepts in manufacturing & maintenance industries, service sector, education, health, rural areas, society etc., for about 4 decades in the national arena with the active support of 34 chapters, sub-chapters and centers situated at all over India.

## **International Conclave on Automobiles**

Industrial Transformation taking place at Chh. Sambhajinagar Big Industries giants like Toyota, Ather Energy, Jindal MG are putting their World Class Set up at AURIC Industrial Area .

Hosting an international automobile conclave in Aurangabad (Chhatrapati Sambhajinagar), Maharashtra, is strategic because the city is a major, rapidly evolving industrial powerhouse in India's automotive sector, offering a robust ecosystem for manufacturing, research, and supply chain logistics.

## **Theme : Driving Tomorrow: Innovation, Sustainability, & Global Mobility**

The world is looking at India, as we step towards becoming the world's third largest economy in the upcoming years. The growth of India is primarily contributed with Indian automobile industry contributing to 7.1% of GDP producing about 30 million vehicles annually. The future lies with adoption on new technologies with focus on sustainability and this conference by QCFI Aurangabad and Bengaluru chapter shall be a perfect platform for all industry leaders, academic experts to meet and exchange information for driving the future mobility.

## **Keynote Topics :**

This International Conclave shall cover key topics which are highly relevant in terms of developing the workforce and also leadership teams to meet the new challenges. Embracing IOT, AI and concepts for smart manufacturing shall be the driving factors of the future industries and it's a call for all industries to make a road map for the same.

As Indian customers are welcoming EV vehicles along with positive support from the Government of India, this segment shall need deeper understanding of the various aspects of manufacturing and technology.

Business growth has to be sustainable and also be integrated with the manufacturing and management policies for every organisation.

Key note speakers from Industry and Academia shall be deliberating on the above topics providing key inputs and the way forward.

## **Panel Discussions :**

Knowledge growth comes by knowledge sharing, and this panel discussion of technocrats and leaders from automotive, automation, universities and IT areas shall be opening up with their experiences, lessons from the past and the vision for the future.

Topics are conceptualised to see a wider coverage of the industry to capture the transition required in the thoughts, visions and the strategy connecting the Indian automotive industry to cater not only to India but towards the global requirements

**Date :**  
**Saturday, 18 April, 2026.**
